Purchasing Products

The prices displayed on this Site are quoted in UK sterling, and are only valid and effective in the UK. Payments can only be made in UK sterling. The prices include VAT at 17.5% (UK tax) and are subject to change if the applicable rate of VAT changes before your order is accepted.

Going forward, where products are delivered to you outside of the European Union you will be responsible for paying any local sales tax or import duties arising at the delivery destination, which are not included in the price of the products.

Prices are quoted exclusive of postage and packing, which will be charged at the rates specified in the delivery section below.

Where there is a delay or likelihood of delay in the supply of products, we will advise you as soon as practicable. If the products cannot be delivered within 30 days of your order, we will notify you of this delay and you may either cancel your order or agree a further delivery time with us.

Any orders you place with us will not be accepted and no contract will be formed between us until you have been instructed that said goods are available and these goods have been paid for and all applicable charges in full. No payment shall be deemed to have been received until we have received payment in cleared funds.

We will confirm our acceptance of your order on receipt of cleared funds by email (where a valid email address is provided).

We reserve the right at all times and at our sole discretion to refuse to accept any orders.

You may cancel an order with us up to three working days prior to dispatch. If your order has already been dispatched, please follow the returns procedure and we will grant you a full refund including all posting costs.
